

ALTW'S RECEPTACLE PRODUCTS PACKING UPGRADE NOTIFICATION

Dear Valued Customers,

ALTW has continuous to enhance our product to achieve your success. We have received several inquiries to separate the nut with our receptacle connectors. For the achievement of our customer, all receptacle connectors (sole connector without wires or terminal assembled) will be delivered with separation of nut and connector. This enhancement supports your installation efficiently. More details change as below:

	变更前(Before)	变更后(After)
变更内容及变更理由 Change Content And Change Reason)	 Assemble Gasket and Nut 組裝 Gasket 和 NUT	 Cancel the Gasket and Nut assembly. Nut and Gasket will be packed separately. 不組裝 Gasket 和 NUT
		 Gasket 和 NUT 分開包裝
	 Assemble O-ring and Nut 組裝 O-Ring 和 NUT	 Cancel the O-ring and Nut assembly. Nut and Oring will be packed separately. 只組裝 O-Ring
		 NUT 分開包裝

Please note this enhancement will be effective from [Apr. 25th, 2018.](#)

Sincerely Yours,
Amphenol LTW Technology Co., Ltd.
