## Product Discontinuance Notification

	<b>PDN Tracking #:</b> 5320								
<b>Issue Date:</b> 3/10/22	<b>Effective Date:</b> 9/30/22								
<b>Type of Change:</b> A product discontinuance for the product listed below.									
<b>Description of Change:</b> Effective September 30, 2022, the devices listed below will be considered “Build to Order”. “Build to Order” status means Qualcomm will no longer carry surplus inventory, software support will be limited to existing software features and hardware support will be limited to credit or replace only. Therefore, orders must be placed at the lead time listed below and to include any necessary minimum order quantities listed below. Lead times and minimum order quantities are subject to change, please contact your regional Customer Service or Sales for the latest information. Please note that expedite fees may apply for delivery requests shorter than the ordered devices current Lead Time. Effective September 30, 2023 these devices will be “End of Life”. All orders are to be placed by September 30, 2023. Last date to take delivery of these orders will be September 30, 2024. Lead times and minimum order quantities are subject to change, please contact your regional Customer Service or Sales for the latest information. Please note that expedite fees may apply for delivery requests shorter than the ordered devices current Lead Time.
