

180827378 Si3404-A-GM V1.0 Datasheet Published

Bulletin Issue Date: 8/27/2018

Effective Date: 8/27/2018

Description of Change

Silicon Labs is pleased to announce the publication of the V1.0 data sheet for the Si3404-A-GM PD controller for Power Over Ethernet. This data sheet updates specifications based on characterization data and removes all TBD values. Please refer to the change list in the data sheet for a complete list of changes.

Reason for Change

Publication of Si3404-A-GM V1.0 Datasheet

Product Identification

Si3404-A-GM
Si3404-A-GMR

This change is considered a minor change which does not affect form, fit, function, quality, or reliability. The information is being provided as a customer courtesy.

Please contact your local Silicon Labs sales representative with any questions about this notification. A list of Silicon Labs sales representatives may be found at <http://www.silabs.com>.

Customer Actions Needed:

Review the data sheet and contact your Silicon Labs representative if questions arise.

Disclaimer

Silicon Labs intends to provide customers with the latest, accurate, and in-depth documentation of all peripherals and modules available for system and software implementers using or intending to use the Silicon Labs products. Characterization data, available modules and peripherals, memory sizes and memory addresses refer to each specific device, and "Typical" parameters provided can and do vary in different applications. Application examples described herein are for illustrative purposes only. Silicon Labs reserves the right to make changes without further notice and limitation to product information, specifications, and descriptions herein, and does not give warranties as to the accuracy or completeness of the included information. Silicon Labs shall have no liability for the consequences of use of the information supplied herein. This document does not imply or express copyright licenses granted hereunder to design or fabricate any integrated circuits. The products are not designed or authorized to be used within any Life Support System without the specific written consent of Silicon Labs. A "Life Support System" is any product or system intended to support or sustain life and/or health, which, if it fails, can be reasonably expected to result in significant personal injury or death. Silicon Labs products are not designed or authorized for military applications. Silicon Labs products shall under no circumstances be used in weapons of mass destruction including (but not limited to) nuclear, biological or chemical weapons, or missiles capable of delivering such weapons.
