

Product Change Notice

PCN Tracking Number: P1304019a—Additional assembly and test sites to Shougang NEC and Renesas Semiconductor KL
(Japan PCN # SAG-F-13-0006)

Customer: All Customers

On the above titled matter, Renesas Electronics America would like to hereby request your approval for the addition of our manufacturing sites for the purpose of improving production efficiency.

Renesas Product Type: Please refer to attached spreadsheet for list of Booking Part Numbers, see Appendix A.

Change Description: (1) **Current: Shougang NEC Electronics (Beijing)**

The following factories will be added:

- Renesas Semiconductor KL Sdn. Bhd. (Malaysia) (RSKL)
- Renesas Semiconductor Singapore Pte. Ltd. (RSS)
- Renesas Semiconductor Kyushu Yamaguchi Co., Ltd. Oita Plant (Japan) (Oita)
- Renesas Semiconductor (Beijing) Co., Ltd. (RSB)
- Advanced Semiconductor Engineering, Inc. (ASE KAOHSIUNG)
- Advanced Semiconductor Engineering, Inc. (Japan) (ASEJ)
- Nantong Fujitsu Microelectronics Co., Ltd. (Nantong Fujitsu)
- Tian Shui Hua Tian Technology Co., Ltd. (Tian Shui:TSHT)
- Siliconware Precison Industries Co., Ltd. (SPIL)(Assembly only at this time)
- Global Testing Co., Ltd. (GTC) (Testing only at this time)

(2) **Current: Renesas Semiconductor KL Sdn. Bhd. (Malaysia)**

The following will be added:

- Renesas Semiconductor (Beijing) Co., Ltd. (RSB)
- Advanced Semiconductor Engineering, Inc. (ASE KAOHSIUNG)

Marking and/or materials of some parts are subject to be changed together with the above production site changes. Please refer to the attached documents for details. For those devices which will have a new Booking Part Number, please update your purchasing information to reflect the new name.

Reason for Change: To improve production efficiency by re-organizing the assembly and test sites for the subject products.

Schedule of Change: Production will start after receiving customer approvals.

Data Attached: A. Difference of Specification: “Device Difference folder-English.zip”
This zip file contains 19 Power Point files: 16 (which begin with “MCU_”) and 3 (which begin with “SoC_”). See the “Spec Difference” column in Appendix A and add “MCU_” for all except 10a and 10b. For 10a, 10b and 10c, put “SoC_” at the beginning. This will then be the name of the file in the “Device Difference” folder file.

- B. QT Data: QA Documents.zip: "MCU_QT_data_RSKL_RSB.ppt"-Contains all QA data for MCU's; and UPD720102GC-YEB-A_Eng_QT_10a.pdf, UPD720114GA-9EU-A_Eng_QT_10b.pdf and UPD720114GA-YEU-AT_Eng_QT_10c.pdf-QA data for the SoC devices.

Need Response by: "Written approval or written receipt and status of PCN must be received by Renesas Electronics within 30 days of the issue date of this PCN. Otherwise Renesas Electronics will consider this change approved".

In case of any questions, please contact your Renesas Electronics sales representative.
